To Whom This May Concern,

Re: **All Access Flooring Inc.**

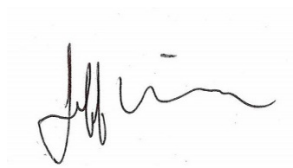

I am writing you this letter to vouch for All Access Flooring Inc. capability of supplying and installing Raised Access flooring systems.

Smith Bros & Wilson (B.C.) Ltd. engaged with All Access Flooring on a job at the Molson Coors Brewery in Chilliwack, BC. The team was able to successfully supply and install the job on time and on budget. If any questions arose, they were quick to respond and follow up when needed. I am confident that they have the expertise to execute on any job, small or large.

Kindly consider them for your Raised Access Flooring projects.

Yours truly,

Smith Bros. & Wilson (B.C.) Ltd.

Jeff Musialek,  
President & Co-CEO
